02 — THE HABU ECOSYSTEM

From Odoo Data to CEO Action.

How Habu Turns Data Into Intelligence.

04 — THE WORKFLOW ENGINE

Business Rules Turned Into Action.

Example: Revenue Risk

USE CASE 01 — PROCUREMENT RISK INTELLIGENCE

Tell me before an operational issue becomes a business problem.

05 — THE MORNING PROBLEM

"I shouldn't have to ask five people what is happening in my business."

06 — THE FOLLOW-UP PROBLEM

"I asked for it yesterday. What happened?"

07 — HABU MOBILE APP

Your business, wherever you are.

Habu surfaces only what deserves attention — prioritised, plain-language, and immediately actionable.

- **Critical alerts first**
  Revenue risk, overdue receivables — surfaced immediately.
- **Executive follow-ups**
  Habu tracks what the CEO asks for, and follows up when required.
- **AI on demand**
  Ask anything. Get an executive-grade answer instantly.
- **Full business visibility**
  One place. No noise. No manual checking.

08 — THE CEO + AI

Don't just receive the answer. Ask why.
